

COMMUNITY

PRACTICES FOR CONNECTING & SHARING THE JOURNEY

REACH

Allow yourself
to reach out ~
even imperfectly

SHARE

Name what
you're carrying
without polishing it.

RECEIVE

Let support land
without minimizing it

ANCHOR

Return to people
or places that
remind you who you
are.

EFFECT: Supports co-regulation, reduces isolation, and stabilizes the nervous system through shared presence.

YOU WERE NEVER MEANT TO DO THIS ALONE
